

ABIH Certification Maintenance Points
Asbestos, Hazardous Waste and Lead Courses

Please note - CM points for any course taken more than once during your CM cycle may be counted only ONE time within that cycle.

The following courses have been given a blanket approval by the ABIH Certification Maintenance Committee and do **NOT** require a review by ABIH, or the assignment of a CM approval number. Organizations who sponsor any of the following courses may use the CM point information listed on this sheet in their publications. CM points are assigned at 1/2 CM point per 1/2 day and 1.0 CM point per day (example 4 1/2 days = 4.5 CM points) for those courses listed below.
