

Searching Tips for the CM Activity Database

Click A - D to see search screen shots of the common searches:

- A) Free, Distance Learning events
- B) Online ethics courses
- C) A specific provider, e.g, FEMA
- D) Blanket Approvals: US regulatory initial & refresher courses for Asbestos, Lead, HAZWOPER

General Search Tips

If you know the CM Approval Number	Then
Yes	Use ONLY Section 1 (the yellow section on the web page).
No	Use ONLY Section 2 (the orange section).

1. The most common mistake is entering too much information in too many fields.

- a. Start broadly with partial information in one or two fields. Then use a 2nd search adding a few words in another field to further refine.
- b. It is not case-sensitive but searches exact phrases.
 - o "Res" will match **Respirator**, **stress**, and **exposures**,
 - o "HA Sacramento" will not match "AIHA-Sacramento" (i.e. an extra dash),
 - o "ASSE Chapter" will not retrieve "ASSE Local Chapter" (i.e. not contiguous)

2. Still can't find it?

- a. Use a unique word (e.g., Rocky)
- b. Use the exact day
- c. Use first day of multiple day events
- d. Use a date range to narrow a search.
- e. Check (select) the *Include Multiple Offering Courses* radio button.
